# Leave a gift in your Will

Thank you for thinking about leaving a gift in your Will to The Shakespeare Hospice. All gifts, no matter the size make a huge difference to our patients and their loved ones.

## How a gift in your Will could make a difference to those in our care:

£1,134

could help fund a counselling programme for a patient or their loved one

£1,400

could help fund a group residential trip for children experiencing a bereavement

£10,194

could help fund our Hospice at Home service for one week

## Types of gifts:

**A residuary gift** is a percentage or share of the balance of your estate once all other payments and gifts have been made.

**A pecuniary gift** is a fixed amount of money. Ask your solicitor about index-linking a cash gift to ensure the relative value stays the same over time.

**A specific gift** is a gift of a specific item such as jewellery, artwork or property.

Since opening our doors in 1999 we have supported many thousands of patients with life-limiting illnesses and their loved ones in our community. We couldn't do this without generous supporters like you. By leaving a gift in your Will, you will be creating a lasting legacy, helping us continue to provide our compassionate care and support now and in the years to come.
